Experience

Skilligence EdTech <i>Generative AI Intern</i>	June 2025 – July 2025 <i>Rohini, New Delhi</i>
<ul style="list-style-type: none">• Built GenAI projects: text/image generators, speech-to-text, and speech-to-speech tools using NLP and CV models.• Developed sentiment analysis and multilingual translator using transformer architectures.• Created an AI-powered interview simulator to enhance candidate preparation.• Applied Python, APIs, and prompt engineering in an agile, real-world EdTech setting.	

Geeta University <i>Intern</i>	June 2024 – July 2024 <i>Panipat, Haryana</i>
<ul style="list-style-type: none">• Gained hands-on experience in C++ by solving complex problems and implementing optimized algorithms (e.g., Merge Sort, BFS, Dijkstra).• Implemented features for quiz creation, management, and evaluation, improving user engagement and optimizing backend performance.• Improved algorithmic thinking through consistent practice on LeetCode, CodeChef, and HackerRank.	

Projects

NewsHub-A Responsive News Aggregator App <i>React JS, News API, JavaScript, CSS</i>	June 2025
<ul style="list-style-type: none">• Developed a fully responsive, component-driven news application using React JS, integrating a public News API to fetch and display real-time global headlines.• Implemented advanced features like infinite scrolling, date-based search, and category filtering to enhance content accessibility and user engagement.• Engineered a dynamic, multi-section navigation system (e.g., Sports, Business, Education) with efficient API request handling to deliver a seamless and intuitive user experience.	

AI Image Generator <i>React JS, RapidAPI, CSS</i>	November 2020
<ul style="list-style-type: none">• Designed and developed an interactive AI-powered image generator using React, enabling users to generate images in real time based on text prompts.• Integrated RapidAPI for handling dynamic POST requests and rendering AI-generated images reliably.• Designed a responsive UI with custom CSS, including loaders, error handling, and fallback support.	

Quiz Management System <i>HTML, CSS, PHP</i>	Feb 2024
<ul style="list-style-type: none">• Developed a web-based quiz platform using HTML, CSS, and PHP, supporting dynamic quiz creation, management, and evaluation.• Implemented a secure login and registration system with role-based access for administrators and participants.• Optimized usability for e-learning, and online assessments through efficient backend integration and clean UI design.	

Technical Skills

Languages: C, C++, Python, SQL, HTML, CSS, JavaScript

Technologies/Concept: Data Structures and Algorithms (DSA), Object-Oriented Programming (OOP)

Web Development: Bootstrap, React.js, Node.js, Express.js, MongoDB(MERN Stack)

Developer Tools: Git, GitHub, VS Code, Leetcode, GeeksforGeeks

Certifications

Philosophy and Critical Thinking – Elite (91%)	Jan–Apr 2025
<i>IIT Kharagpur (NPTEL)</i>	
• Earned Elite distinction with 91%; trained in logic and ethical reasoning.	
Design Thinking – Elite + Top 5% (86%)	Jul–Aug 2024
<i>IIT Madras (NPTEL)</i>	
• Mastered user-centric design and creative problem-solving techniques.	
Introduction to Generative AI	Mar 2025
<i>Google Cloud</i>	
• Learned Generative AI concepts, LLMs, and real-world applications.	
Entrepreneurship & Family Business Master Class	Mar 2025
<i>TalentGro Global & Geeta University</i>	
• Completed with Grade A; covered business models and leadership skills.	

Leadership / Extracurricular

Campus Ambassador	Sep. 2024 – Present
