Education

Geeta University

Bachelor of Technology in Computer Science Engineering

Sep. 2023 – June 2027

Panipat, Haryana

Shivaniaa Public School

Higher Secondary Education(Grade:85)

Apr. 2021 – May 2022

Uchana, Haryana

G.V.M High School

Secondary Education(Grade:98.8)

Apr. 2019 – May 2020

Uchana, Haryana

Relevant Coursework

- Data Structure
- DBMS
- OOP in C++
- Operating Systems (OS)
- Computer Networks
- Generative AI
- Computer Architecture

Experience

Skilligence EdTech

Generative AI Intern

June 2025 – July 2025

Rohini, New Delhi

- Built GenAI projects: text/image generators, speech-to-text, and speech-to-speech tools using NLP and CV models.
- Designed sentiment analysis and multilingual translator using transformer architectures.
- Created an AI-powered interview simulator to enhance candidate preparation.
- Applied Python, APIs, and prompt engineering in an agile environment to deliver real-world EdTech solutions.

Geeta University

Intern

June 2024 – July 2024

Panipat, Haryana

- Gained hands-on experience in C++ by solving complex problems and implementing optimized algorithms (e.g., Merge Sort, BFS, Dijkstra).
- Engineered features for quiz creation, management, and evaluation, improving user engagement and optimizing backend performance.
- Improved algorithmic thinking through consistent practice on LeetCode, CodeChef, and HackerRank.

Projects

ShopVerse-AI-Powered Clothing E-commerce Website | MERN

Sept 2025

- Built a full-stack E-commerce website using the MERN stack (MongoDB, Express.js, React.js, Node.js) with a responsive and user-friendly design.
- Integrated AI-based features for personalized recommendations and added smooth animations to enhance user experience.
- Implemented secure authentication, RESTful APIs, and optimized database management for better scalability, performance, and reliability.

NewsHub-A Responsive News Aggregator App | React JS, News API, JavaScript, CSS

June 2025

- Built a responsive React.js News App integrating News API for real-time global headlines.
- Integrated infinite scrolling, date-based search, and category filters to significantly improve content accessibility and user engagement.
- Built a dynamic multi-section navigation with efficient API handling for a seamless, intuitive user experience.

Quiz Management System | HTML,CSS,PHP

Sept 2024

- Developed a web-based quiz platform using HTML, CSS, and PHP, supporting dynamic quiz creation, management, and evaluation.
- Implemented a secure login and registration system with role-based access for administrators and participants.
- Optimized usability for e-learning, and online assessments through efficient backend integration and clean UI design.

Technical Skills

Languages: C, C++, Python, SQL, HTML, CSS, JavaScript

Technologies/Concept: Data Structures and Algorithms (DSA), Object-Oriented Programming (OOP)

Web Development: Bootstrap, React.js, Node.js, Express.js, MongoDB(MERN Stack)

Developer Tools: Git, GitHub, VS Code, Leetcode, GeeksforGeeks

Certifications

Philosophy and Critical Thinking – Elite (91%)	Jan–Apr 2025
<i>IIT Kharagpur (NPTEL)</i>	
• Earned Elite distinction with 91%; trained in logic and ethical reasoning.	
Design Thinking – Elite + Top 5% (86%)	Jul–Aug 2024
<i>IIT Madras (NPTEL)</i>	
• Mastered user-centric design and creative problem-solving techniques.	
Introduction to Generative AI	Mar 2025
<i>Google Cloud</i>	
• Learned Generative AI concepts, LLMs, and real-world applications.	
Entrepreneurship & Family Business Master Class	Mar 2025
<i>TalentGro Global & Geeta University</i>	
• Completed with Grade A; covered business models and leadership skills.	

Leadership / Extracurricular

Campus Ambassador	Sep. 2024 – Sep. 2025
<i>Member</i>	<i>Geeta University</i>
• Acted as a liaison between students and faculty, fostering strong communication, and campus engagement.	
• Organized student-led initiatives and events, strengthening leadership, networking, and marketing skills while boosting participation and outreach.
